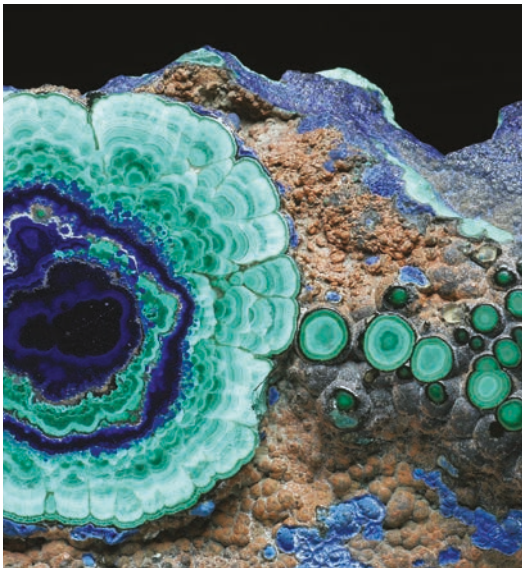
MUSĒUM NAL HIST NATURELLE

NAVE HALL

Behind a splendid rose garden, the long central hall of this neoclassical gallery is a veritable jewel box, ideally suited for exclusive cocktail receptions and dinners.
Two rows of Corinthian columns adorn the long hall, which is bathed in natural light.



A WORLD OF MINERALS TO DISCOVER

Your guests will benefit from exceptional visiting conditions as they explore the world of mineralogy with or without a guide.
Hundreds of minerals and twenty giant crystals are sure to arouse their curiosity.

EXCLUSiVE EVENTS

Enjoy a prestigious setting full of history in the centre of Paris for your fashion shows, trade shows and showrooms.
At 600 sq. m., the Grande Nef (Nave Hall) accommodates high-end events in a variety of layouts, amongst themed displays that illustrate the beauty, diversity, shapes and colours found in gems and minerals.
